Minden Lake Ratepayers protest Subdivision on Lake

MINDEN — On Sunday afternoon at the municipal building, more than 50 ratepayers from the newly formed Minden Lake Ratepayers Association met with Anson, Hindon and Minden council over a proposed subdivision and zoning change on their lake.

The association was formed just a week ago, when it was brought to the ratepayers attention that there was a proposed rezoning by Terrelac Subdivision, from permanent-residential to seasonal, to accommodate 31 new cottage lots. The subdivision had met all government requirements last year and had been included in the new Haliburton County Planning Stragedy for development.

The objection from the ratepayers is that they feel that with 92 residential-cottages on the lake now, plus 20 more lots still to be developed, that an extra 31 would over populate the lake, which is "nothing more than a large puddle" according to association president, Bern Berry.

"We feel that the lake itself which is only 131 acres, according to Ministry of Natural Resources, (28 ft. deep, with a mean depth of only 12 feet, and is only 2½ miles long as the crow flies) is just a large puddle." Terrelac Subdivision is being developed by Elmer Hodsall, who owns the 23 acre parcel.

Reeve Sinc Nesbitt advised the group that the original planned subdivision had over a 100 lots but this was trimmed to 31 which met the approval of each ministry and was included in the Planning Study at one of the public meetings last year.

Main cause of concern it appears is the park area which the municipality will receive as part of any subdivision. It will receive 5% of the land itself or 5% cash in lieu of the land. The ratepayers on the lake feel that a park would add to the safety, pollution and environment problems already in evidence on the lake.

Chuck Tompson, vice-president of the association told council that the safety on the lake to boats, waterskiers and sailors, and especially swimmers is extremely hazardous due to the configuration of the lake. "I defy any swimmer to venture out a 100 feet into the lake" Thompson said.

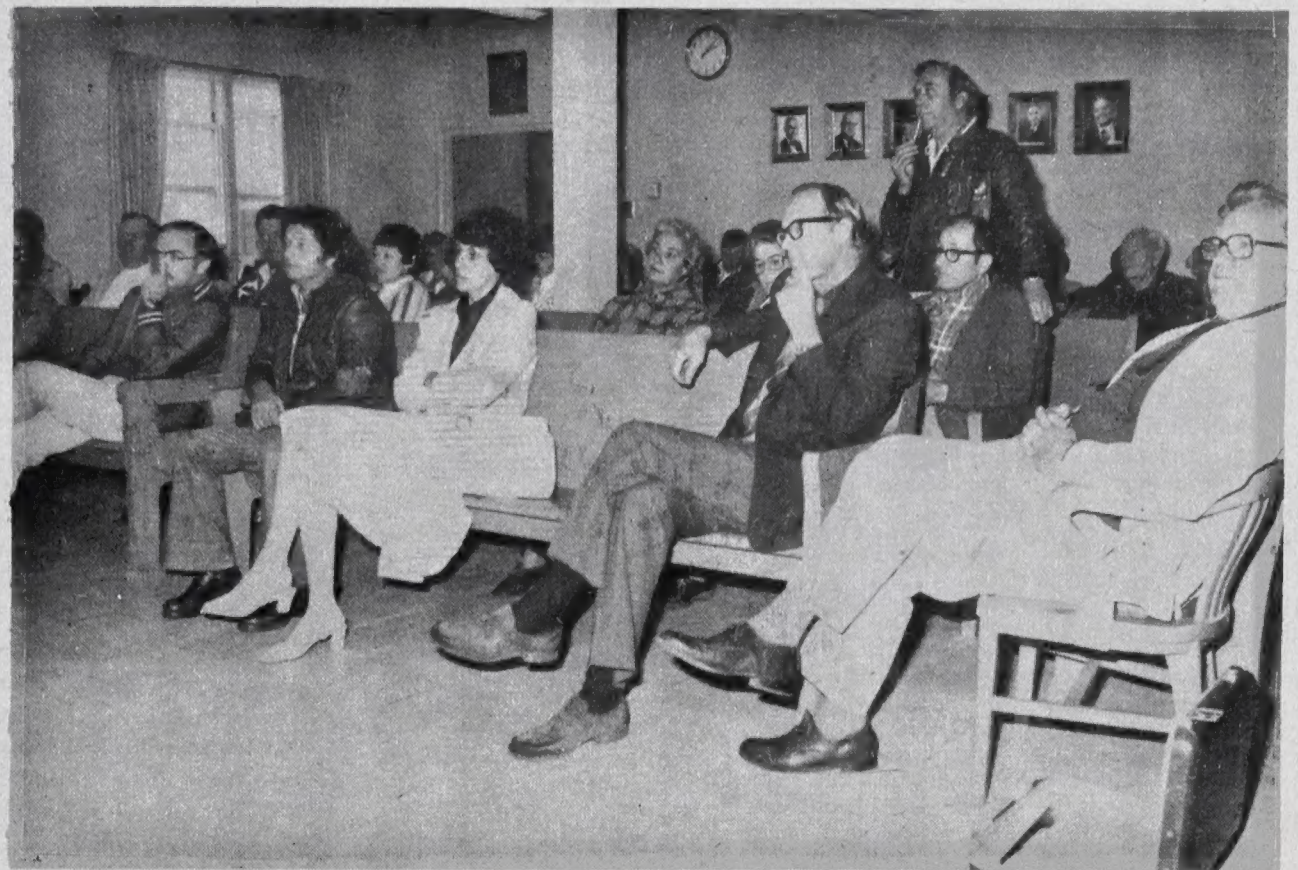

We shudder to think that with the extra 31 cottages, how much more traffic will be on the water. There should be some expert advice on the ratio between traffic versus size of lake, he added.

"There will also be increased gas and oil pollution from the boat traffic and an increase in noise pollution and garbage at the proposed park site." "This is not to mention the decrease in wildlife around the lake and we are also concerned with possible vandalism and theft, removal of trees from the shoreline etc."

Reeve Nesbitt then told the gathering that the Ministry has the right to make council take the 5% for park purposes or 5% of the money. "I don't think it will do any good to go to the OMB and say that there are too many cottages on the lake. You must have proof of this," said Nesbitt.

Councillor Stuart Brandon in replying to Mr. Thompson's concerns said "I am not saying you're wrong in what your saying, but what you are really doing is questioning the competency of the various ministries in their assessment of the lake capacities. Council just doesn't have any moves on the Terrelac subdivision, except for the 5% because all approvals have been granted."

Reeve Nesbitt then asked the Ratepayers to go back, have a meeting and then return to council with their decision as to how they would like council to

handle the 5% question in land or money.

The executive director of the Federation of Ontario Cottagers Association was also present at the meeting. Bert Shingler told council that his association would be lending its support to the ratepayers. He said the association was meeting on Monday and that they are looking into the possibility of enlisting the services of Mrs. Sonja Holiday-Rhodes for her

expertise on pollution.

The following people make up the executive of the new Minden Lake Ratepayers Association; president, Bern Berry; vice-president, Chuck Thompson; secretary, George Winkley; treasurer, Stan Trevor and directors Edna Moulton, Edith Brinston, Gabe Erous, Sam Stewart, Frank Haden and George Keoshkerian.

14,000 vote win by Victoria-Haliburton M.P. Bill Scott

The Victoria-Haliburton riding saw a very heavy voter turnout which returned Bill Scott, the Progressive-Conservative candidate for the riding for the fifth time to office. The official figures are not yet in, but with 268 of 273 polls reported the unofficial tally had Scott with 26,136 votes. Liberal candidate, David Logan, received 11,762 votes, New Democratic candidate Patrick Daniel, received 6,736 votes and other parties Moldavanji and Harris 97 and 49 respectively. Bill Scott, above right is shown with Prime Minister Elect, Joe Clark following the election last week.

Circus comes to town, June 7th

MINDEN — William (Deac) Jackson, Minden Fire Chief attended last week's council meeting to confirm that the volunteer firemen had accepted the wage proposal of \$10 for the first hour and \$5 for each additional hour.

This is the first raise that the men of the department have received in 15 years. Previously they received \$7 and \$3.50 respectively.

Council had earlier offered the firemen \$8.50 and \$4.25 for 1979 and then \$10 and \$5 for 1980 but the men turned this down.

With the new raise in hourly rates the firemen agreed to forego new uniforms and improved radio equipment this year.

Min. Firemen accept pay raise

MINDEN — The popular Martin and Downs circus will be coming to town June 7 with two performances set for 6 and 8 pm at the fair grounds. The circus company tours Canada annually and presents one of the finest family shows under the big top.

Tickets are now on sale at various retail outlets in the area and the Minden Recreation Committee receives a percentage of all tickets sold and the money earned from this project will go toward their many worthwhile projects.

Advance tickets are lower than at the box office so get yours early and support the committee.

Express on sale in stores only

Well that did it! I refer to the news that the Post Office Department across Canada are going Metric next month and you know what that will undoubtedly mean to everyone using the mail services — you're right, up go the prices!

Unfortunately to offset some of the increase and other increases which we have absorbed until now, The Express will go on sale, IN STORES ONLY, on Wednesday, June 7th.

The last PO increase in March of this year sent our weekly mail costs up \$25, in February newsprint was up \$30 per metric ton, chemicals, film, ink etc. have all increased since January '79 and we can only ask — "where will it end?"

Local residents in town and those on rural routes will continue to receive the paper free of charge as usual.

The Express is the only free paper in the county which serves all town and rural residents in Haliburton, Minden, Kinmount, Norland, Cobocok and Kirkfield each and every week.

Trent Severan Waterway opens for season

The opening of the Waterway on schedule was touch and go this week, as scattered showers and threatening clouds brought even more water into the already swollen spring flows.

The strong currents from the high river flows make boat manoeuvring near certain locks a bit more tricky. Narrow river sections can produce strong currents for the unsuspecting boater. The pull of the river, in fact, can partially submerge navigation buoys that mark the navigable route along the Waterway.

However, dryer weather before the holiday weekend, and a desire to get the Waterway going for the start of the summer season, won out. All sections of the Waterway were checked by staff, and, with a note of caution to boaters, the Waterway will be open for business as planned.

Over the past winter,

Minden Reeve officially opens Gun Club

MINDEN - On Sunday afternoon more than 100 people gathered at the site of the new Haliburton County Marksmen Club for the official opening. Minden Reeve, Sinc Nesbitt officially opened the new Club by firing the first shot. Others at the opening ceremonies were Master of ceremonies and Club Vice President, Bill Payne, newly elected Victoria-Haliburton M.P. Bill Scott, Victoria-Haliburton M.P.P. John Eakins, Haliburton County Warden Jim Harrison and Sergeant Arnold Bestman, Ontario Provincial Police. After a few brief words from each of the dignitaries, including Club President, Dr. Jeffrey Lodenquai, Reeve Nesbitt took his position on the firing line and fired the first shot at a deer poster 100 yards away. Although Mr. Nesbitt told the gathering he hadn't fired a rifle in many years he did manage to hit the deer (see photo).

snow water equivalent reached nearly the same maximum amount as the year before, peaking at 168 mm (6.6 ins.) on the basin upstream of Lakefield. During the spring runoff this produced a peak flow down the Otonabee River of 360 cubic metres per second (12,700 cubic feet per second).

Reservoir lakes also

filled well to reach a maximum of 102.6% on May 7th. At this writing the reservoir storage is holding at 101% and some surplus water is still in the Kawartha's and on Lake Simcoe-Couchiching.

Outflow from the Kawartha's is being reduced from 172 cubic metres per second to 127 (considered the maximum

for safe navigation). Dry weather would result in this being reduced continuously until the minimum of 17 cubic metres per second is reached before reservoir water would be required.

MNR announces park openings

The Ministry of Natural Resources announces the following timetable for the summer season in Ontario's Provincial Parks.

Most provincial parks will be operating with full services by May 18th in southern Ontario and by June 1st in Northern

Ontario (above the French and Mattawa Rivers).

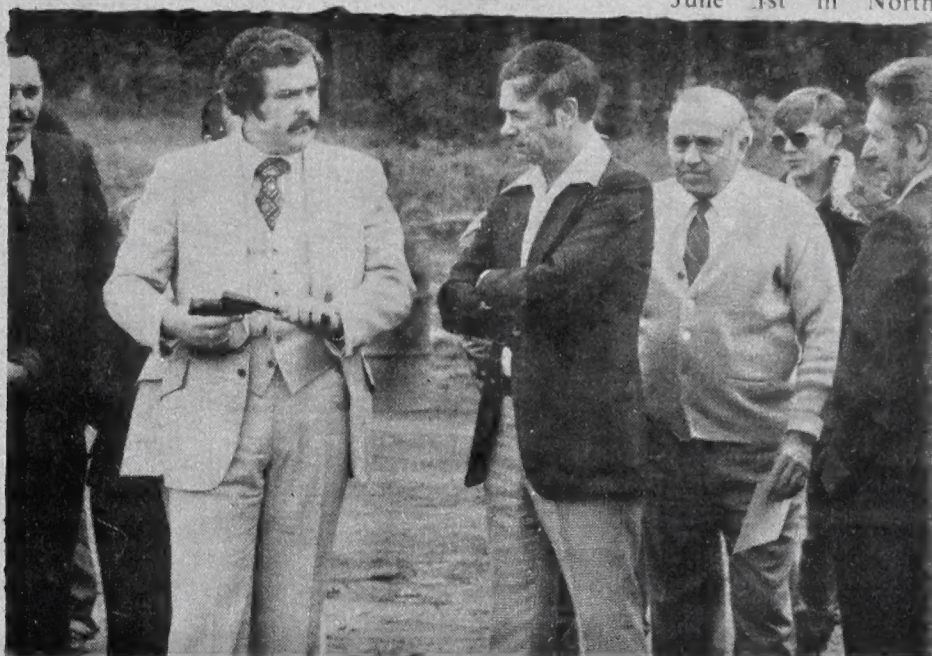

On those dates, at least a portion of each park will have all park facilities such as running water, comfort stations and electricity, available to visitors.

Ministry parks officials point out that even before the official summer season begins, anyone may visit a provincial park, even though facilities may be minimal at the time. In some cases, visitors may find the road into the park gated to prevent vehicle entry, but visitors are welcome to enter on foot.

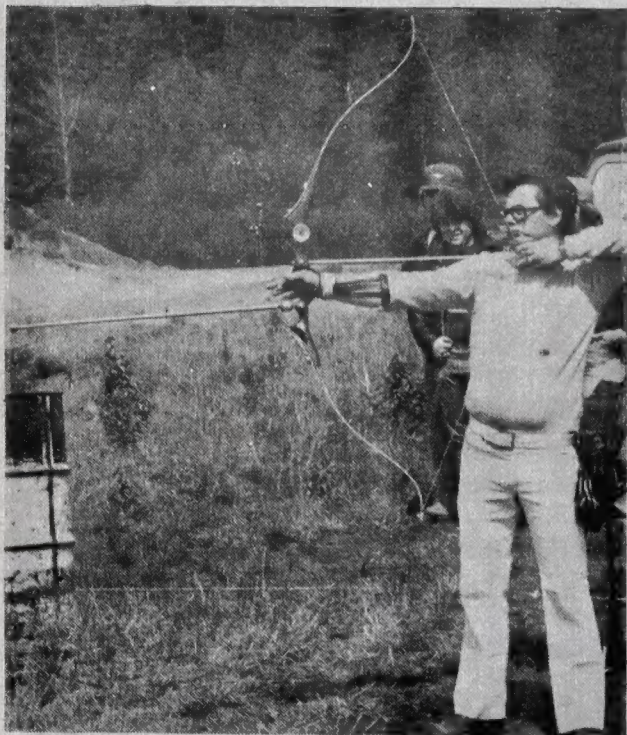

Some exceptions to the summer season dates for provincial parks are:

- Bonnechere, Grundy Lake, and Driftwood provincial parks will be open on weekends from May 18 to June 15, then begin operating with full services for the remainder of the summer.

- Carson Lake, Silent Lake, Lake St. Peter, Mikisew and Oaster Lake provincial parks will be open on weekends from June 1 to June 15, then begin full service operations.

MINDEN - The entire Anson, Hindon & Minden council was on hand to witness the official opening of the new Marksmen Club in Minden on Sunday. Above, admiring the perfectly balanced German-made air-pistol of Dr. Lodenquai, are left to right, Hal. County Warden Jim Harrison, Minden councillors Stuart Brandon and Len Lonsberry, Deputy Reeve Doug Pritchard and Reeve Sinc Nesbitt.

The Marksmen Club ceremonies also included an archery demonstration by Bob Emmerson of Minden and a handgun demonstration by Dr. Lodenquai.

'Celebrate Living' is the theme for Senior Citizen's week this year

MINDEN - For the ninth consecutive year, the Ministry of Community and Social Services is designating a week-June 17-23, 1979, to recognize the contributions of senior citizens to the life and character of Ontario communities.

This year the theme is 'Celebrate Living' and Co-sponsor of this week is the Canadian Institute of Religion and Gerontology.

One poster designed for the week depicts some of the many and varied activities and interests of Ontario's seniors. The second offers translations of the theme into the languages representing the largest ethnic groups in Ontario as a recognition of the cultural mix in our population.

Each year the Ministry requests municipal councils to declare Senior Citizens Week in their municipalities and on May 23rd, council for Anson, Hindon and Minden concurred with the request.

Hyland Crest Senior Citizen's Home and Extencicare in Haliburton will both be celebrating Senior Citizen's Week, with many, many activities for their seniors.

Logging accident claims life of Gooderham man

An industrial accident at a logging site about 100 yards off County Road No. 7 on Friday morning, claimed the life of an 18 year old Gooderham man.

Gary Travis was working on top of a partial load of logs which were on a log truck, and according to a police report, Travis who was straightening the logs out with a cant hook fell to the ground. The log he was straightening fell off the truck striking him on the head.

Coroner at the scene was Dr. H.E. Good of Haliburton. Investigation was handled by Minden O.P.P. Constable Bill Clendenning. There will be no post mortem or inquest into the death.

Bancroft defeats Carnarvon in 1st inter-house Y.B.C. "Challenge Cup"

BANCROFT - On Saturday morning at Bancroft Lanes the 1st annual Bancroft-Carnarvon Youth Bowling (Y.B.C.) Inter-House "Challenge Cup" tournament was staged between a team of juniors and seniors from each house. Each team played three games against each other, with all six scores and handicaps counting. When the three games were completed, Bancroft had won both the junior and senior competition, plus four of the six individual awards.

In the junior competition the local juniors had a three-game total of 3633 to Carnarvon's 3496. The high single went to Carnarvon's Barbara Adams with 280 and the high triple to Bancroft's Diane Chorney with 689.

The seniors from Bancroft, won their competition with a total of 3585 compared to Carnarvon's 3367. Individual honours went to Claude Whyte, 245 high single and Danny White, 664 high triple.

The hidden score awards were won by Carnarvon's Kelvin Mann and Bancroft's Maureen Kelly, both seniors.

On behalf of Carnarvon Lanes, the bowlers and Program Director Cliff Burke would like to thank Donna Phillips, Program Director for Bancroft Lanes and Instructors Bill Phillips and Judy Lavoy for hosting the Inter-House tournament. The

Hutton slams homer in 8th, Lindsay spoils Minden home opener 6-3

MINDEN - Another Tri County Fastball league season got underway this past week with the Lindsay Juniors visiting Minden in the locals home opener. The Juniors were not very good guests, as they downed our guys 6-3 in eight innings. The winning blow was a towering two-run home run by winning pitcher Ben Hutton in the top of the eighth.

Lindsay opened the scoring in the second inning when Drinkwater singled to left, stole second and scored on a double by B. Puffer, who then came in when Lutle singled to right.

Minded halved the score to 2-1 when Dave Dollo led off the fifth inning with a walk, stole second and scored on a double by Barry Shaw.

In the sixth, Lindsay went ahead 3-1 on Lutle's single, took second on a passed ball and scored on a single by Pearson.

Minden got their act

together in the bottom of the seventh when lead-off batter Royce Miller drew a walk, Larry Kent then doubled bringing Shaw to the plate. Hutton got two quick strikes on Shaw, a right hand batter, then tried to jam him on the inside. Shaw fought off the pitch with an opposite field double, scoring both runners and tying the game at 3-3.

Lindsay turned on the power in the top of the extra inning as Drinkwater singled and Hutton smashed losing pitcher Jack Snell's first pitch high over the centre field fence. Lindsay added another run on two singles and a walk and an infield out to make the final score 6-3.

Minden has a return engagement with the Juniors in Lindsay on Sunday, then are back home tonight at 8 p.m. against Bobcaygeon.

Ben Hutton picked up his first win of the season for the Juniors, going the

Kincardine bowler wins national golden age prov. singles title

PETERBOROUGH - Lloyd Arnold of Bruce Bowling Lanes in Kincardine scored 140 pins over his average to advance to the Canadian Golden Age National Championships. Also representing southern Ontario will be Al Preece, Mohawk Bowlerama, Brantford with a plus of 110; Pierre De La Salle, St. Rene Bowling, Gatineau plus 96, Dora Primeau, st. Rene Bowling, Gatineau plus 89, Sara Russell, Bruce Bowling Lanes, Kincardine plus 83 and Vi Hewitt, Georgetown Bowl, Georgetown, with a plus 64.

To reach the provincial finals, 29 teams competed in eight district playdowns during the month of April from which the top eight teams advanced to the provincial finals at Lakeview Bowl. Each team consisted of 3 men and 3 ladies who competed in a three game, pins over

average tournament, to declare both singles and Team Champions.

In the team event Bruce Bowling Lanes, Kincardine finished first with an accumulated score of 3898 for a plus 231 followed by Georgetown Bowl, Georgetown with a plus of 179 and Mohawk Bowlerama, Brantford with a plus 122.

The top six qualifiers in the singles event will now form the nucleus of a mixed team to represent southern Ontario at the National finals in Calgary, Alberta, June 26th and 27th at which time they will compete against the provinces of British Columbia, Alberta, Saskatchewan, Manitoba and Northern Ontario for the National title.

Francis Scott Key, author of the U.S. national anthem, was a lawyer by profession.

distance, giving up three runs on six hits, walked one and struck out 14. Jack Snell took the loss giving up six runs on eight hits, walked one and struck out 11.

In the season opener for the Tri County league last Monday, Woodville shaded the Lindsay Merchants 2-1 in a real pitchers duel between Woodville's Lorne Jackson and the Merchants Donnie Timms.

The Tri County Fastball league is comprised of seven teams this year, Minden Merchants,

Woodville Merchants, Lindsay Merchants, Fenelon Falls Merchants, Bobcaygeon Merchants, Bobcaygeon Blue Jays and Lindsay Juniors. Each team will play four games against each of the other six teams for a 24-game schedule.

This year's Minden Merchants are Gord Paisley (coach), Jack Snell, Rick Hartwick, Dave Hartwick, Ron Reid, Larry Kent, Dave Dollo, Royce Miller, Barry Shaw, Kirk Hewitt, Bernie Nichols and Harris Steele.

STANHOPE NOTES

A. F. Stevenson

Stanhope Airport Committee have plans completed for their Stanhope Fly in and Air Show to be held on the week-end of June the ninth and tenth. They event begins on Saturday at which time a number of the participating aircraft and personnel will be arriving to prepare for the flying activities on Sunday.

Flying their specially built aerobatic aircraft the Canadian Reds from Vancouver will show their skill and daring on Sunday while another part of the show will be provided by a team of parachutists who will also thrill the spectators with their skill in handling their chutes as they attempt their precision landings.

It is hoped that an armed forces aircraft will also be taking part in the Sunday activities but this has yet to be confirmed.

On Saturday, refreshments will be available all day as it is anticipated that the public will be on hand in large numbers to see the numerous airplanes arrive. On Saturday June 9th the Airport Committee will hold a dance which will be attended by the Canadian Reds and also the members of the parachute team.

The tickets for the dance are reasonably priced and the place is the Stanhope Firefighters Hall while the music will be supplied by D/J Tom Young who will also be on the public address system for the airshow on Sunday. His fine work last year added much to the public enjoyment of the event. The beef barbecue will also be a part of Sunday's activities and no doubt will be as much appreciated as on previous occasions. All the Committee needs is a big public turnout to make the weekend a success.

Township Council and the Clerk Treasurer are still pondering ways to meet rising costs of Education, Municipal government and various services without too severe an impact on the taxpayer.

As usual the levy for educational costs has increased quite substantially and, with other labour and material costs up, any thought of avoiding a rather heavy increase in the mill rate would have to be day dreaming. However, the problem is not being taken lightly by any members on Council so it may be hooped that any increasing of the tax rate will be in keeping with the percentage increases in the consumer price index. Indications are that the long awaited tennis courts will become a reality this summer and with this prospect it might be well for the tennis enthusiasts to consider forming a Stanhope Tennis Club. In view of the fact that tennis was the activity most frequently requested in the survey taken some two years ago, it could be reasonably assumed that there should be no problem in getting a large number to take an active part in developing the sport in Stanhope. The advantages of forming a club are considerable and are a worthwhile incentive to do something useful for the community.

ANSON, HINDON & MINDEN COUNCIL MINUTES

Land Severances, Arena matters discussed at length

MINDEN - the 14th meeting of the council for the Townships of Anson, Hindon & Minden met at the municipal council chambers on Wednesday, May 23rd, 1979 at 7:30 p.m.

Those in attendance were Reeve S. G. Nesbitt, Deputy-Reeve, D. Pritchard, Councillors, S. Brandon, L. McKnight and L. Lonsberry. Also attending were road Superintendent Earl Kent, By-Law enforcement Officer Dick Schell and Clerk-Treasurer, Elinor Burke.

McKnight - Pritchard: that the minutes of the meeting held May 9th, 1979 be approved. Carried.

Mr. Brian Ward, Solicitor and Mr. Cliff Wyllie attended Council to discuss a severance application for the Evergreen Resort in Lot 4, Concession 3, Twp. of Minden. By-law 79-24 was passed to fulfill the severance condition.

Mr. Fraser Rogers, Solicitor and Richard Kirkwood were present relative to a proposed severance of property abutting Laurdie Cabins.

Lonsberry - McKnight: Be it resolved that the severance application proposed by Richard Kirkwood in part of Lot 4, Concession A, Minden be approved subject to the following conditions being registered against the title in the Land Registry Office: (a) That sufficient fill shall be applied to the lot before a building permit will be approved (b) the existing watercourse on the west side of the lot must be retained as a drainage ditch (c) any proposed changes to the drainage ditch shall first be approved by Council. Carried.

Mr. Phil Nicholls attended Council to discuss certain arena matters. It was agreed that locks would be installed to the mutual satisfaction of the parks and arena departments. The parks personnel shall either assist the arena staff to remove the stage from the ice surface by using the half ton truck or the truck shall be left at the arena until the arena staff have removed the stage. Also, when arena staff are absent from the centre, certain lights shall be left on for the convenience of the parks personnel.

Mr. Roy Windover was present to review the conditions of the subdividers agreement pursuant to this plan of subdivision in pt. lots 3 & 4, Concession A, Anson Township.

Pritchard - Lonsberry: Be it resolved that Council hereby agrees that a letter of clearance be issued relative to a plan subdivision (Ministry of Housing file 46T-77134) pursuant to the terms of the agreement. Carried.

McKnight - Lonsberry: That the Townships of Anson, Hindon & Minden have no objection to amusement rides operating within our boundaries providing such Carnival companies produce evidence that they carry a minimum of \$500,000 inclusive liability coverage to save the municipality of any costs or responsibilities which may be incurred. Carried.

Lonsberry - Pritchard: that the 1978 taxes in the amount of \$69.84 be written off property No. 114 030 09400 to Section 636 (a) of the Municipal Act, R.S.O.

1970, as amended. Carried.

Mr. Jim Garbutt, President, Minden Curling Club was present to discuss the details of the feasibility study required by the Ministry of Culture and Recreation for grants purposes.

McKnight - Pritchard: That the proposed severance in part of lot 13, Concession 13, Township of Minden (W. Weekes) be approved subject to the following amended conditions: (A) Pursuant to policy No. 6 only 3 lots shall be created (b) the municipality shall be granted a deed to property 33 feet from the centreline of the existing township road along the entire Northerly boundary. (c) all structures shall be constructed on North side of right-of-way on retained portion with lake frontage unless the proper setbacks can be met without a minor variance. (d) the right-of-way shall be included with the portion shown in red on the sketch submitted to provide sufficient frontage for the lot (e) that portion shown in yellow shall be retained with the back 12 acres to give lake access for the back property. (f) no person shall be deprived the right to ingress and egress as a result of the right-of-way being included in this approval. Carried.

Lonsberry - McKnight: That the week of June 17-23 be declared as 'Senior Citizens' week in Anson, Hindon & Minden. Carried.

Mr. Clarence McInerney attended Council relative to proposed severance on Walkers' Pond.

McKnight - Lonsberry: That the proposed severance on part of lots 10 and 11 Concession 4, Township of Minden be approved in principle subject to the restrictions of policy No. 6. And further, that each purchaser must be advised that such lots are accessible by water only. Carried.

Pritchard - Lonsberry: That Lyle McKnight and Stuart Brandon be appointed as Council's Liaison representatives between the Minden Curling Club Building Committee and the Municipal Council. Carried.

Pritchard - McKnight: That Council has no objection to the proposal by Mrs. Holliday-Rhodes relative to the social event at the Anglican Church providing such use complies with the present restricted area by-law 14-67, as amended. Carried.

Pursuant to a letter from L.M. Hampson requesting signs on the Caribou Road, Council agreed to erect pedestrian and slow signs for the convenience of the resident.

Thinking Slim
BY JEAN NIDETCH

In spring, a young woman's thoughts also turn to fancy, but her hands turn to closets and spring cleaning!

I've yet to understand how one closet can give birth to so much unused clothing! I suppose we all buy clothes we don't ever wear. With many women, it's simply a case of quick infatuation and quicker disenchantment with that dress or pantsuit you had to have!

But with a woman I know named Madeline, it was a case of overeating. "Spring cleaning used to be a dismal time for me," she says. "Burrowing around in my closets I'd find clothes I'd bought years back when I was a size 10 which no longer fit because I'd eaten myself up to a size 18. Most of the year I could pretend I really hadn't gained that much weight. Then I'd be forced to attack my closet and inevitably find something 'thin' I'd overlooked before. Worse still, I'd find something I'd bought only a few months back which I couldn't zip or button!"

Madeline says she used to give those things away, until last spring when she found a treasure. "I unearthed an adorable three-piece outfit I'd bought which had cost a bundle. There it was neatly wrapped in tissue paper, in a box way up on top of my closet. I suppose I didn't have the heart to give it up so I'd buried it. Well, it's
